Our Commitment to Diversity and Inclusion

We are committed to creating and maintaining positive change to improve the work experience for all teammates. Together, we aspire to create an environment where teammates are safe to show up as their whole selves. This way, they can deliver their best work while feeling included and respected for their unique contributions.

When people embrace and value different ideas, non-linear perspectives, presence and contributions, it makes for a very enriching work experience where we all thrive and rise together. – **Suma Nallapati, Chief Information Officer, Insight**

Teammate Resource Groups (TRGs)

TRGs are important tools for self-identity. They deliver a sense of connection and community with teammates all over the world. TRGs support diverse teammates, raise awareness, perform community service and foster more meaningful relationships with clients and suppliers.
